**T**HE Publishers of the EDINBURGH, LEITH, AND COUNTY POST OFFICE DIRECTORY beg very gratefully to acknowledge the liberal encouragement they have received from the Public in past years. The continued extension of the City and of Leith has again necessitated considerable additions to the lists, which, however, has been accomplished without materially increasing the bulk of the volume; and as no exertion has been spared to secure the accuracy of the DIRECTORY in all its departments, the Publishers trust that this their SIXTY-SIXTH Issue will merit a continuance of public confidence.

The Publishers beg also to thank the gentlemen who have assisted them in supplying valuable information and data for the present Edition.

The Plan of Edinburgh and Suburbs, and Map of the County, have been, as usual, revised down to date.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years. By transposing the Dominical Letters, this Calendar would answer for any Century.

# NEW SCHOOL MAP OF THE WORLD, ON GALL'S IMPROVED PROJECTION.

Size 6 ft. 6 in. × 4 ft. 7 in.

The Map is designed to supersede to some extent the use of special Wall Maps of the Continents. The scale is such as to allow of all the chief Physical and Geographical features of the various Countries being efficiently shown, excepting in the British Islands and Central Europe, where greater minutiae are required than can be shown in a general Map. The boundaries of the States are accurately defined, and brought out by distinct colours; while care has been taken to give those names and details generally required in the usual course of instruction. There are also introduced many important features illustrative of Physical Geography and Commerce.

*Price, mounted on Cloth and Rollers, Full Coloured, £1, 1s., or Varnished, £1, 5s.*
